

Before you buy... look in the mirror!

Does the image you see
represent, you,

a person who cares about...Halacha?

1. That **skirt** you're about to buy...
can it cover your **knees** at all times?
2. Turn around and look at the back of it... that **slit**...
are you sure you can **sew it up**?
If you can't... it's not for you!
3. Notice the **sleeves**?
Do they cover your **elbows**? Can they ride up?
4. Don't forget the **neckline**... the sides, the back...
Only the **neck** itself may show!
5. Last but not least... **THE FIT!** too tight is too revealing.
You don't want that... that's **against halacha!**
6. And something you might have forgotten
Is the **color** too loud? Or the **style** too trendy?

Now... look in the mirror again!

Picture the image you'll see...
That's you!

Enjoy your new outfit! Wear it in good health!
